RESPONSIBILITIES OF THE APPLICANT
PLEASE READ CAREFULLY BEFORE SIGNING

I hereby acknowledge that I am aware that the various applicable Town and county agencies review each zoning application and proffer comments that may affect its scheduling and outcome. These comments sometimes include requirements for an additional public hearing and/or the preparation and execution of agreements to run with the land which are recorded, prior to scheduling. I understand that it is my responsibility as the applicant or applicant's representative to promptly follow through with the compliance of requirements or to advise the Town Manager in writing if the application will not go forward and may be considered withdrawn. Contact with the Town Planner is advised during the hearing process.

Fees: Further I understand that the hearing fees paid at the time of filing may not be the total cost of the hearing, that I will be advised of the following fees which must be paid promptly: deferral or re-advertising fee (if applicant requests deferral), revision fee, and/or other fees assessed for changes or additions to the hearing application or plans.

Permit Requirements: I also understand that the Florida Building Code may contain requirements that affect my ability to obtain a required building permit for my project, even if my zoning application is approved at public hearing. I am aware that a Building Permit is required for all construction and that I am responsible for obtaining the required permits, all required inspections, and the Certificate of Use and Occupancy or Certificate of Completion for any and all structures and additions whether proposed or existing without permits. Additionally, I am aware that a Certificate of Use and Occupancy will result in the initiation of Enforcement action against the occupant and owner. I further understand that submittal of the Zoning Hearing application will not necessarily forestall enforcement action against the property.

- B. Fees - A check, made out to the Town of Miami Lakes, for all applicable fees. See page #8 of application form for fee schedule.
- C. A letter describing the request in detail.
- D. The names and legal descriptions of all property owners within a radius of five (500') feet of the subject property on mailing labels. See attached sheet for specific instructions and names of local companies that prepare the required information.
- E. Color photographs of the property, buildings or structures. Digital photos may be included on disk in lieu of color prints.
- F. Certified survey of the property. The survey must be dated within 12 months of the application date by a surveyor registered in the State of Florida at a scale no greater than 1"=200', In compliance with the minimum requirements of Florida Statutes.
- G. Variance requests must submit two (2) copies of architectural plans, which show the proposal in detail, with the initial application. All other requests shall comply with the submittal requirements in Section 3.4 of the Town Code for Site Plan review. The plans shall be signed and sealed by an architect or engineer registered in the State of Florida. Once the Town Planning staff has determined that the application is ready for Town Council consideration, twelve (12) copies of all site plans and supporting documentations and one reduced set of plans (11" x 14") must be submitted before a public hearing can be scheduled. All full size plans are to be folded to 9" x 12" size by the applicant. The Town Planner may waive some of the required architectural plans or require additional plans or documentation depending on the type of application requested.

VARIANCE REVIEW CRITERIA

In order for the Town Council to authorize any variance from the terms of the Land Development Code, the variance request(s) must comply with the following:

- a. Variance Consistent with Authorized Powers. That the variance is in fact a variance as set forth in the Land Development Code and within the province of the Town Council.
- b. Existence of Special Conditions or Circumstances. That special conditions and circumstances exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures, or buildings in the same zoning district.
- c. Conditions Not Created by Applicant. That the special conditions and circumstances do not result from the actions of the Applicant.
- d. Special Privileges Not Conferred. That granting the variance requested will not confer on the Applicant any special privilege that is denied by this Land Development Code to other similarly situated lands, buildings, or structures in the same zoning district.
- e. Hardship Conditions Exist. That literal interpretation of the provisions of this Land Development Code would deprive the Applicant of rights commonly enjoyed by other properties in the same zoning district under the terms of the Land Development Code and would work unnecessary and undue hardship on the applicant. The purchase of property which is an illegal nonconformity with this Land Development Code shall not be considered a hardship for granting of a variance, nor shall conditions peculiar to the property owner be considered.
- f. Only the Minimum Variance Granted. That the variance granted is the minimum variance that will make possible the reasonable use of the land, building, or structure.
- g. Not Injurious to Public Welfare or Intent of the Land Development Code. That the grant of the variance will be in harmony with the general intent and purpose of the Comprehensive Plan and this Land Development Code and that such variance will not be injurious to the area involved or otherwise detrimental to the public welfare.

Notwithstanding the criteria above, should the Town Council by extraordinary (5 votes) vote determine that the variance is justified by practical difficulty on the part of the applicant, and no objections from adjoining or directly affected property owners have been filed to the application, a variance may be approved as requested or approved with conditions.

**NOTICE TO ALL APPLICANTS REQUIRING A PUBLIC HEARING FOR
PROPERTY LOCATED WITHIN THE TOWN OF MIAMI LAKES**
